Midview Endowment Fund

The Midview Schools Endowment Fund provides grants for educational enrichment activities for Midview students beyond the basic programs provided by the schools. Additionally, scholarships are awarded annually to Midview students who are pursuing higher education. The Fund is overseen by a Board of Trustees that is comprised of community leaders, alumni, parents, and students. Contributions are deposited with the Community Foundation of Lorain County. As contributions accumulate year after year, the Fund will continue to grow.

The Midview Band program would like to extend a very warm THANK YOU to the Midview Endowment Fund for their generosity. The Endowment Fund has been a major supporter of our program, their funds allowing us to purchase new instruments and equipment for the students! These generous donations have helped Midview Band students both enjoy and excel in their crafts!
